

WELCOME TO MOJO TAQUERIA!

As we transition back into dine-in, we are currently offering contactless ordering. This means in place of a physical menu, you can access the menu on your phone, place your order and pay without leaving the table.

Just open the camera app on your iPhone or Android device and scan the unique QR code on the table stand at your table. Then, select the link that appears at the top of your screen to open the menu and from there you can choose the items you want and place your order.

YOU DON'T HAVE TO PLACE YOUR ORDER ALL AT ONCE

When you send your order, it will give you the option to leave your tab open. So if you want to get drinks and appetizer started, send those in first! Then send in your tacos and entrees after. You can then pay for everything at the end when you are finished.

BE SURE TO SEND THE ORDER

It will prompt you to enter your name and email address, send the order, and either pay then or create an open tab to add more items.

REMEMBER TO PAY

If you create a tab, be sure to pay at the end of your meal. If you want to pay cash or split your check amongst your group, we can bring you a paper ticket to close out your tab. Just let us know!

WE ASK THAT YOU PLEASE WEAR A MASK ANY TIME THAT YOUR ARE NOT SEATED AT YOUR TABLE. THANK YOU FOR YOUR COOPERATION IN ALLOWING US TO REOPEN TO DINE-IN!
