on-site catering

Mojo Taqueria is an ideal location for group dinners, rehearsal dinners, and other celebrations because of its fun atmosphere, excellent food, the casual taco bar option, and outstanding service!

We organize custom events for groups from as few as 12 to as many as 120. For parties of 12-20 guests, we are able to seat you in our main dining room and you can order off the regular menu. For groups of 20 or more (and those that choose to pay for a private space) we can host you in our patio room and adjoining patio which all face the mountains to the south and west. Our entire restaurant is available for parties from 60-120 guests.

Events with private spaces are booked on a minimum charge basis. This means that a certain amount of dollars needs to be spent on food and beverage, not including tax and gratuity. If this minimum is not met, you will be charged that minimum price (plus tax and gratuity). If you spend above the minimum price, you will pay for whatever your total bill is (plus tax and gratuity).

For private events we typically serve a buffet-style taco bar, and on page 5 you will find the basic taco bar options. Appetizers and desserts are also available, and we can customize the bar options if you choose. We require a deposit and signed copy of our event contract to hold your reservation.

Please feel free to call or email anytime with questions or to reserve a date. We look forward to planning your party or event!
